TOUGHTEK® F340e

Cementitious fireproofing sprayer
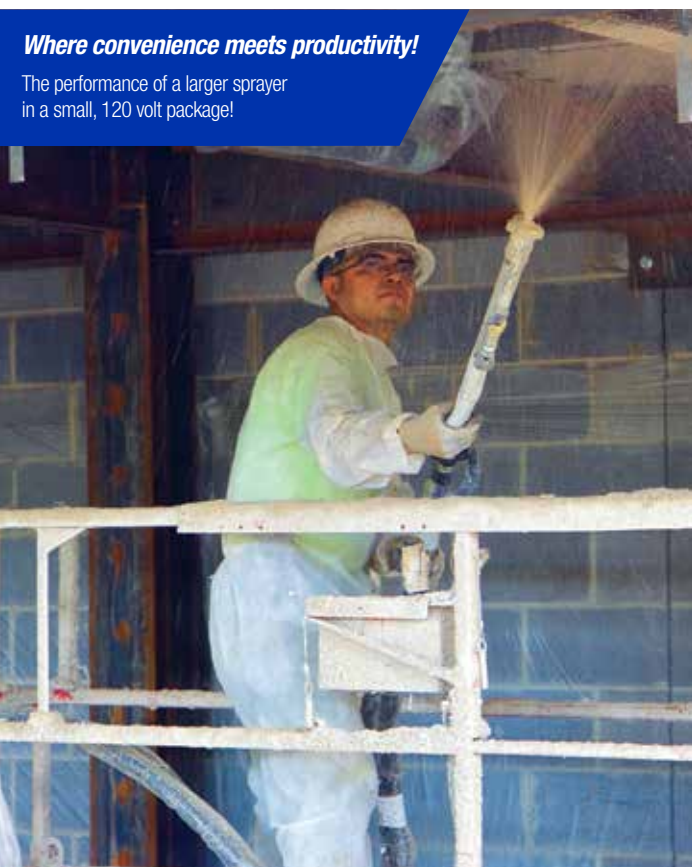

GRACO®

BIG PERFORMANCE IN A SMALL 120 VOLT PACKAGE!

When you're doing small jobs or patch work, look no further than the F340e. With it's compact size and unmatched performance, it outperforms other patch pumps so you can finish up to 2X faster - while using longer hose lengths and smaller diameter hose. Graco's rugged Quick-Access Piston Pump offers long life and lower cost of ownership than rotor stator systems.

Where convenience meets productivity!

The performance of a larger sprayer in a small, 120 volt package!

BENEFITS YOU'LL APPRECIATE!

High-performance — Pump up to 20 bags an hour to get the job done faster

Lightweight and portable — Only weighing 210 lb it's smaller and lighter than large pumping systems

Plug and play — Works on a standard 120V wall outlet for maximum convenience

Less downtime — Proven Quick-Access Piston Pump lasts longer and offers a lower cost of ownership than rotor stator pumps

Easy maintenance — No-tools disassembly of outlet manifold and pump components to keep your pump up and running from one job to another
